Index to Volumes XXXIV–XXXVI (1999–2001)

This is an author and subject index to editorials, articles, book reviews, and reports in the 1999–2001 issues of *Baptist History and Heritage.* In author entries, a writer's name is followed by a chronological listing of the titles of all editorials and articles prepared by that person. The reference data after each title contains five elements: volume number, issue number, page number, season of publication, and year of publication. To illustrate, 36.3.44;S-F/01 refers to volume 36, number 3, page 44 of the Summer/Fall 2001 issue. Page numbers refer only to the initial pages of entries.

In subject entries, including names of persons treated as subjects, a subject is followed by a chronological listing of references to that subject. Titles are not included as separate categories.
